### **WE MAINLY DEAL**

- ▲ MAIN ENGINE & SPARES
- ▲ D.G.SET & SPARES
- ▲ AIR COMPRESSOR & SPARES
- ▲ OIL PURIFIER & SPARES
- ▲ TURBOCHARGER & SPARES
- ▲ FRESH WATER GENERATOR & SPARES
- ▲ HYDRAULIC PUMP & HYDRAULIC MOTOR
- ▲ OTHER EQUIPMENTS

## ABOUT US ...

Many years of selling and repairing marine engines and other equipment have provided us with the experience and knowledge of our customer's needs.

It is our goal that our customer shall have an answer to his inquiry within 24 hours time. With a tradition of engineering expertise we have the experience and technical knowledge to fulfil your exacting requirements worldwide.

We provide worldwide high quality, spares and services to the marine industry for diesel engine components and other ships equipment.

Our technical solutions and services shall represent added value to our customers through:

- Quality
- Attractive price / performance ratios
- Life cycle performance
- Innovation
- Availability
- Scope of supply

**WE MAINLY DEAL IN .....**

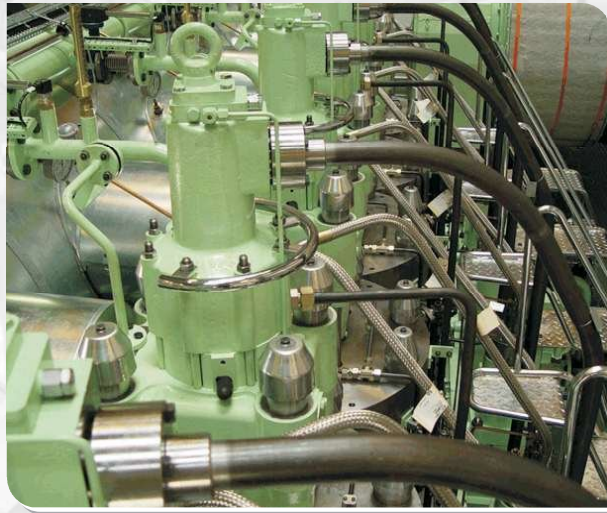

**MAIN ENGINE & SPARES**

**LINER**

**VALVE CAGE**

**MAIN ENGINE**

**HEAD**

**PISTON CROWN**

**D.G.SET & SPARES**

**CRANKSHAFT**

**CYLINDER HEAD**

**D.G.SET**

**CONNECTING ROD**

**OTHER SPARES**

### TURBOCHARGER & SPARES

### AIR & CHILLING COMPRESSOR & SPARES

### HYDRAULIC PUMP & HYDRAULIC MOTOR

## OIL PURIFIER & SPARES

## OTHER EQUIPMENTS

**ACB**

**Anchor Chain**

**Breathing Compressor**

**Fresh Water  
Generator & Spares**

**Emergency Generator**

**Heat Exchanger  
& Spares**

**OMD**

## WORKSHOP

The most reputed Marine Workshop near Alang ship breaking yards in India with abundant experience of marine and industrial engineering since 1993 & Certified Engineers, Instruments and Process, to fulfil norms of in-house Class Inspection for second-hand parts.

### MPI TESTING

### CALIBRATION TESTING

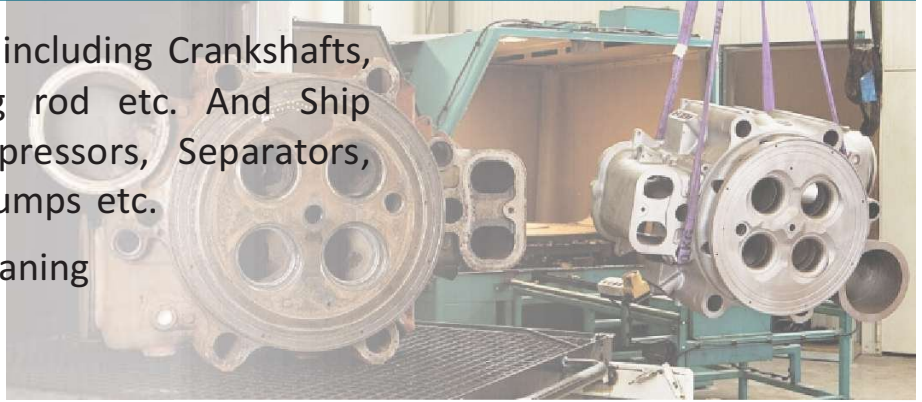

#### ALL KIND OF N.D. TEST (3<sup>RD</sup> PARTY INSPACTION) :

- Calibration & Tolerance Check
- Magnaflux Crack Detection (MPI)
- Ultrasonic Thickness Check
- Hardness Test
- Hydraulic Pressure Test
- Trueness & Bending Check

## RECONDITIONING / REFURBISHING ...

For All engine components including Crankshafts, Cylinder cover, Connecting rod etc. And Ship machinery including Compressors, Separators, Hydraulics, Turbochargers, Pumps etc.

- Sand Blast & Chemical Cleaning
- Totally overhaul facilities

### HEAD RECON
